MODEL D6510: ECO-LIFT³ EUROPEAN CART LIFTER

This dependable lifter features simple and rugged construction, few moving parts, and an entry level price. Modular construction makes repairs easier while the solid plastic teeth and bumper are gentle on your carts. Now with wider faceplate for additional cart stability!

The performance you demand requires a serious machine with all the refinements that you've come to expect from the leader in the waste handling industry.

- ◆ Featuring durable modular construction that simplifies repairs
- ◆ Sleek design fits anywhere
- ◆ Cylinder operated
- ◆ Designed with few moving parts
- ◆ Minimal greasing for less maintenance
- ◆ Plastic teeth & bumpers handle your carts gently
- ◆ Wide faceplate offers superior cart stability
